### COURSE DESCRIPTION

This course provides a broad survey of the functional areas of business by engaging students in a critical discourse about management, its sub-disciplines, and the current issues and future challenges facing business. This discourse is reflected in the course readings, which pair classic management articles with writings from alternative or contradictory perspectives. Using a variety of media we will also examine current news stories to illustrate and assess the practical relevance of each of the management ideas presented. Students will be challenged to develop, articulate, and support their own thinking in relation to contemporary business issues. The course is intended to prepare students for success in the upper-level BCom course requirements.

### LEARNING OBJECTIVES

By the end of this course students should be able to:

- Describe the scope and central concepts of management and the functional domains of business
- Identify and analyze the interplay of key economic, social, and environmental trends facing business, and their implications for different functional areas
- Critically analyze management texts and be able to describe and formulate alternative perspectives on a given management issue
- Write a clear and persuasive argument to support a chosen position or course of action
- Identify management area(s) and issues that are of particular interest in relation to upper level course concentration

Additional details will be provided in class.

#### Midterm exam conflicts and missed midterm exams

If you are unable to write the regularly scheduled midterm exam for **academically legitimate reasons...**

1. Schedule Conflicts (e.g. religious accommodations; YU sports team participation, another YU exam): You must notify the course director in writing at least two (2) weeks (14 days) prior to the set date. Provide full details regarding the conflicting event and relevant contact where applicable (e.g. faith leader, coach, course director).
2. Illness: You must obtain an Attending Physicians Statement (APS; <http://www.registrar.yorku.ca/pdf/attending-physicians-statement.pdf>) within forty-eight (48) hours of the exam, and submit it to your course director within seven (7) days (PDF or hard copy only).
3. Accessibility Accommodations: If you are registered with Accessibility Services and are seeking alternate exam accommodation, you must follow the procedures of the Alternate Exam office (<https://altexams.students.yorku.ca/request-an-alternate-exam>). Be sure to check the required submission dates early in the term.

Approval to write a makeup is at the discretion of the course director or relevant office. If you are approved to write you will be sent details regarding time and/or location of your makeup. If you do not receive an acknowledgement of your request within a few days of submitting documentation you should follow up with the course director. In all cases it is the student's responsibility to proactively address a missed or alternate exam situation.

### GROUP DEBATE PRESENTATION (20% OF COURSE GRADE)

The group debate presentation will be based on a current affairs issue and groups must defend alternate positions with respect to that issue in a debate-style format. Presentations will be held during the last four lectures (Weeks 9-12). All group members are required to actively participate in the presentation. Additional details will be provided in class.

The course director will assign randomly constructed groups during the third week of class. The group is expected to manage all of its organizational and work assignment tasks with fairness and

respect. The course director will be happy to mediate group issues provided assistance is requested in a timely manner.

#### **FINAL EXAM (35% OF COURSE GRADE)**

The final exam will be a closed-book 2-hour exam and will be scheduled by the Registrar during the final exam period – details TBA. The format may include a combination of multiple choice, short/long written answer, and case-based questions.

#### **LATE ASSIGNMENTS**

Assignments not submitted as specified by the due date/time will receive a grade of zero.

#### **GRADE REAPPRAISALS**

Students may, with sufficient academic grounds, request that a grade in the course be reappraised. A written request for reappraisal must be submitted to the course director within one week of receiving your grade, and must specify (a) what the student would like re-graded (i.e. specific questions, entire exam, etc.) and (b) a clear justification for why re-grading is necessary. The course director may refuse to reappraise if sufficient academic grounds are not demonstrated. Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed. For further information see:

<http://calendars.registrar.yorku.ca/2014-2015/policies/petitions/index.htm>

#### **COMMUNICATION WITH COURSE DIRECTOR**

Emails to the course director must include a professional greeting (e.g. Dear Professor X), the student's name, student number, and the course/section enrolled in. Emails not containing this information will not be responded to.
