### COMMON COURSE POLICIES

#### **Check out common course policies for ADMS/DEMS courses on the School website:**

<https://www.yorku.ca/laps/sas/academic-resources/common-course-policies/>

Including information regarding:

- Academic Accommodation for Students with Disabilities
- Religious Accommodation
- Services for Mature and Part-time Students
- and more

### ACADEMIC HONESTY & INTEGRITY

**Academic Honesty:** Students are reminded to maintain standards of academic integrity to the highest extent possible. Common examples of breaches of academic honesty and integrity include cheating, plagiarism, falsification, and aiding and abetting others in such activities. **Please familiarize yourself with the meaning of academic integrity at York** by completing the interactive on-line Tutorial for students at:

<https://spark.library.yorku.ca/academic-integrity-what-is-academic-integrity/>

Suspected breaches of academic honesty will be investigated and pursued; significant penalties will be applied when a breach has been found to have occurred.

#### **Following these simple rules will help you avoid breaches of academic honesty:**

- Complete your work well in advance of the deadline
- Write your entire work yourself (each and every word!) from the ground up
- DO NOT: “consult” others or search online for “ideas”
- DO NOT use tutoring or editing services to prepare your work

The Faculty of Liberal Arts and Professional Studies considers breaches of the Senate Policy on Academic Honesty to be serious matters. As per the Policy, “The Senate Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty”. Please familiarize yourself with York’s Senate Policy Academic Honesty:

<http://secretariat-policies.info.yorku.ca/policies/academic-honesty-senate-policy-on/>

**Turnitin:** To promote academic integrity in this course, students will normally be required to submit their written work through Turnitin (via the course eClass) for a review of textual similarity and the detection of possible plagiarism. In so doing, students will allow their material to be included as source documents in the Turnitin.com reference database, where they will be used only for the purpose of detecting plagiarism. The terms that apply to the University’s use of the Turnitin service are described on the Turnitin.com website.
