## Academic honesty and integrity

In this course, we strive to maintain academic integrity to the highest extent possible. Please familiarize yourself with the meaning of academic integrity by completing SPARK's [Academic Integrity module](#) at the beginning of the course. Breaches of academic integrity range from cheating to plagiarism (i.e., the improper crediting of another's work, the representation of another's ideas as your own, etc.). All instances of academic dishonesty in this course will be reported to the appropriate university authorities, and can be punishable according to the [Senate Policy on Academic Honesty](#).

## General Policy

1. **WARNING: Distribution or uploading of course content is STRICTLY PROHIBITED. All material is copyright protected.**
2. Concerns regarding marks **will not be entertained after a week** from the release of the marks/result.
3. Students will not be allowed to write the quizzes, term tests, or the final exam, unless they are on the class list.
4. Due to unavoidable circumstances if any lecture is missed due to technical reason, date for make-up lecture will be announced on course web site.
5. Please ensure you read all documentation on the course eClass site.
6. It is your responsibility to visit course eClass site regularly.
7. If you have a query about the questions solved in any tutorial session, communicate directly with the tutor, if you are not satisfied with the reply of your tutor, then contact your professor.

10. For some common language about academic integrity, and the online tools used to promote it, please see the text in blue font above.
11. This course might require the use of online proctoring for examinations. The instructor may use an online proctoring service to deliver the exam(s), which would be administered through the Learning Management System (e.g., eClass, Canvas, etc.). Students are required to have access to minimum technology requirements to complete examinations. If an online proctoring service is used, students will need to become familiar with it at least five days before exam(s). For technology requirements, Frequently Asked Questions (FAQs) and details about the online proctoring service will be made available if used. Students are required to share any IT accommodation needs with the instructor as soon as they are able.
12. Several platforms will be used in this course (e.g., eClass, Canvas, Zoom, etc.) through which students will interact with the course materials, the course director / TA, as well as with one another. Please review the syllabus to determine how the class meets (in whole or in part), and how office hours and presentations will be conducted.

Students shall note the following:

- Zoom is hosted on servers in the U.S. This includes recordings done through Zoom.
- If you have privacy concerns about your data, provide only your first name or a nickname when you join a session.

### **Quizzes, Term Tests and Final Exam Policies**

1. All quizzes, tests and the final exam will be done **online**.
2. Information concerning the Quizzes, Term Tests and Final Exams will be posted on course eClass site.
3. There are **5** Quizzes, dates of which are given in the schedule below. Quizzes will be taken online using eClass, and will be at the beginning of the class it is scheduled in. Quizzes will be about 20-30 minutes long. No makeups will be available for each Quiz. However, there will be an optional cumulative make-up Quiz on the last day of classes. Any student can take this Cumulative make-up Quiz to improve one of their poor Quiz scores or to replace a missed Quiz.
4. There are two common term tests each of which is worth 20% of your overall grade.
5. Both term tests and the final examination may consist of multiple-choice questions and worded questions.
6. If you miss a term test, the weight of one and only one missed test (20%) will be automatically (no documents such as doctor notes needed) transferred to the final examination. If you miss both term tests, your final examination will only weigh 45%.
7. The final examination will be comprehensive if you miss anyone or both term tests. That is, if you miss one term test, or both you will be writing a final exam that includes material from the entire semester. The duration of the Comprehensive Final Exam might be different than the Regular Final Exam.
8. A Cumulative Formula Sheet will be posted on your course's eClass website. You can use this formula sheet in all of your Quizzes/Tests/Exam.
9. **There are no alternative exam dates and times for the Term Tests.**
10. If students miss the Final Examination and have to defer the exam, the deferred exam will be a **comprehensive** examination.
11. Due to concerns regarding copyright issues, online tests (Quizzes/Term Tests/Final Exam) are treated as purely **assessment tools**. If you do not miss a regularly scheduled test, you will not be tested on the material covered in that test again. Hence, the feedback regarding tests will be given to students as explained in the next two points.
12. Online tests will be marked online, and the results will be posted on your course's eClass site. If you need to get markers' feedback, you will need to put a request by emailing your professor **within five days from the date the marks are posted**. Any query after five days will not be entertained. It is your responsibility to visit the eClass (common and your section) on regular basis.
13. After getting markers' feedback, if you are still not satisfied then you can request your professor to re-appraise the test. However, note that the whole test, not the part you like will be re-assessed, three outcomes are possible, your marks might stay the same; increase; or decrease.
14. Your solutions need to be hand-written!
15. You are not allowed to use **ANY** software to solve and/or type your answers in any of your Tests/exam, if used then that will not be considered part of your Test/Exam, hence will not be marked.
16. Once you start any Testing Component (Quizzes, Tests or Exam) you are digitally signed for that testing components. If you quit after starting a test, then whatever you attempted will be marked and will be in your records.
17. If you need religious accommodations, please follow the York University policy/procedure and once approved, update your professor at least 96 hours prior to the testing component.
18. Quizzes, Tests and Final Exam will all be online. For the Tests and Final Exam, you will need to upload on the eClass site a scan or photo of your work as required for each question. (Note: When the allotted time is over, eClass will automatically submit whatever work/files you have **uploaded**. *Note that the files must have been already uploaded though, and this needs to be done before the last minute of the given time.* You do not have to send an email to your professor asking to check whether or not your work/files have been uploaded. It is your responsibility to ensure they are uploaded properly within the time provided. Such email inquiries will not be answered.)
19. Due to strict copyright rules Quiz cannot be reviewed online. If you want to, you can apply for re-appraisal, and your professor will re-appraise it and update you of the outcome.
20. While taking your Quizzes/Tests/Final Exam, the questions will be provided to you in a sequential manner. You will be asked to answer a question and submit your answer, and then move on to the next question. After you submit your answer to a question, there will be no further access to that question in the test.

The DSA and supporting documentation must be submitted no later than five (5) business days from the date of the exam. These requests will be considered on their merit and decisions will be made available by logging into the above-mentioned link. No individualized communication will be sent by the School to the students (no letter or e-mails).

**IMPORTANT NOTE:** Any request for deferred standing on medical grounds must comply with University regulations. **Academic Honesty/Integrity:** The Faculty of Liberal Arts and Professional Studies considers breaches of the Senate Policy on Academic Honesty to be serious matters. The Senate Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty. As a clear sense of academic honesty and responsibility is fundamental to good scholarship, the policy recognizes the general responsibility of all faculty members to foster acceptable standards of academic conduct and of the student to be mindful of and abide by such standards. Suspected breaches of academic honesty will be investigated and charges shall be laid if reasonable and probable grounds exist.

Non-academic grounds are not relevant for grade reappraisals; in such cases, students are advised to petition to their home Faculty. Students are normally expected to first contact the course director to discuss the grade received and to request that their tangible work be reviewed. Tangible work may include written, graphic, digitized, modeled, video recording or audio recording formats, but not oral work. Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed. For reappraisal procedures and information, please visit the Office of the Registrar site at: <http://myacademicrecord.students.yorku.ca/grade-reappraisal-policy>
