## WELCOME!

*Living in the Greater Toronto Area, we see diversity every day, we experience it (albeit differently) in our everyday lives, at work, on campus (virtually/remotely, and in-person). Yet, there is more than meets the eye. The purpose of this course is to develop awareness and understanding of diversity issues and inclusive practices in the workplace from perspectives of various stakeholders. Together we will explore individual identity on different dimensions, such as appearance and weight, sexual orientation, gender identity and expression, and more. The course aims to encourage life-long learning, and to challenge individual views and mindset towards diversity issues, as well as to learn best practices for leveraging diversity to achieve better organizational outcomes.*

**Please note that regular attendance and engagement/participation in the course (live synchronous sessions and/or in-class sessions) is expected. When planning for this course consider budgeting sufficient time for pre-class preparation as well as time to work with your group outside the live sessions.**

- Be **prepared** to connect/attend during our scheduled time (**Thursdays, 11:30am-2:30pm\***). When on zoom (**Live Session**), with your **microphone** on and **camera** on.
- Be **prepared** to interact and collaborate with your classmates (including group assignments / project).
- Be prepared to discuss and critically examine our course content (our course discussions and activities rely on your advance preparation of the assigned readings...).

*If you have any concern with your performance, or ability to complete the course successfully, please contact me earlier in the course rather than later. I look forward to meeting you on-line and having a meaningful learning experience. 😊*

*We are all responsible to create and maintain **a safe learning environment** in the course – in class, during synchronous sessions, and outside the scheduled class time; All are expected to conduct themselves in a manner that is respectful of others and of themselves.*

*I look forward to meeting each and every one of you in class.*

Ron

## IMPORTANT SCHOOL AND UNIVERSITY POLICIES & INFORMATION

### COMMON COURSE POLICIES

**Check out common course policies for ADMS/DEMS courses on the School website:**

<https://www.yorku.ca/laps/sas/academic-resources/common-course-policies/>

Including information regarding:

- Academic Accommodation for Students with Disabilities
- Religious Accommodation
- Services for Mature and Part-time Students
- and more

### COURSE REAPPRAISAL POLICY

**General** reappraisal policies are listed in the Common Course Policies. Specific policies may be set forth and noted on the course eClass.

### ACADEMIC HONESTY & INTEGRITY

**Academic Honesty:** Students are reminded to maintain standards of academic integrity to the highest extent possible. Common examples of breaches of academic honesty and integrity include cheating, plagiarism, falsification, and aiding and abetting others in such activities. **Please familiarize yourself with the meaning of academic integrity at York** by completing the interactive on-line Tutorial for students at:

<https://spark.library.yorku.ca/academic-integrity-what-is-academic-integrity/>

Suspected breaches of academic honesty will be investigated and pursued; significant penalties will be applied when a breach has been found to have occurred.

**Following these simple rules will help you avoid breaches of academic honesty:**

- Complete your work well in advance of the deadline
- Write your entire work yourself (each and every word!) from the ground up
- DO NOT: “consult” others or search online for “ideas”
- DO NOT use tutoring or editing services to prepare your work

The Faculty of Liberal Arts and Professional Studies considers breaches of the Senate Policy on Academic Honesty to be serious matters. As per the Policy, “The Senate Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty”. Please familiarize yourself with York’s Senate Policy Academic Honesty:

<http://secretariat-policies.info.yorku.ca/policies/academic-honesty-senate-policy-on/>

**Turnitin:** To promote academic integrity in this course, students will normally be required to submit their written work through Turnitin (via the course eClass) for a review of textual similarity and the detection of possible plagiarism. In so doing, students will allow their material to be included as source documents in the Turnitin.com reference database, where they will be used only for the purpose of detecting plagiarism. The terms that apply to the University’s use of the Turnitin service are described on the Turnitin.com website.
