Identifies the role of government in a modern economy and examines the interaction between government's attempts to provide services and the financing of expenditures through traditional and non-traditional means.

Weighting of Course:

Evaluation

Important dates and grading scheme are as follows:

Term Test 1	25%	October 6 th , regular class hours	Location: regular classroom
Term Test 2	25%	November 17 th , regular class hours	Location: regular classroom
Final Exam	50%	Date: TBA	Location: TBA

The tests and the final will not be re-weighted in order to benefit any single student or any group of students.

Missed exams/Tests:

There will be no make-up for the term tests. If you are unable to take a term test **for a valid reason ONLY**, the weight of the test will be added to the final exam. Students missing a term test must provide detailed documentation in the manner required by York. The instructor must be contacted about missing the term test via e-mail at brzozows@yorku.ca or in person within 48 hours after the end of the test (*since it is student's responsibility to make sure that the instructor has been contacted e-mail works much better than any other means of communication*). Students missing the mid-term exam who do not provide such documentation will receive a grade of zero for the mid-term exam.

For both tests, students are responsible for **all** the material covered until the date of the test.

The final exam will be held during the university exam period. While it will be weighted towards the material covered after the second term test, it will cover **all** the material since the first lecture in September.

Grading

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.)
