- a. To provide the student with the basic academic theory as it relates to marketing

Group Project (detailed outline posted on EClassClass)

- A. Your group project consists of two parts: a written report and a presentation. The written report is worth 80% and the presentation is worth 20% of the project mark.
- B. The written report consists of a marketing plan. Part 1 - the environmental and competitive analysis - is due in week 5. This will be returned the week after the midterm. The complete final report is due in week 11. The report is due at the

- beginning of class. The mark for the first part is provisional, you will be able to make corrections before submitting a complete report.
- C. The presentation will be delivered in class (see Class Schedule). The presentation will be marked both on creativity and content.
 - D. The group project is a team effort and only the team members can determine each person's contribution to the team. For this reason, each member can complete a **peer evaluation form** indicating the contribution of their team members. The template of the form is provided on the course web page. Completed forms should be submitted on eClass. These forms are confidential and the information on them will not be shared with anyone. The forms are optional. No form means that all members contributed equally.
 - E. Your grade for the team project will be determined by multiplying the group grade by the number of students in the group and distributing these grades according to the evaluation scores received. This means that team members could receive different overall grades. This adjustment will only be carried out if more than three (3) peer evaluations were submitted from the group.

Course Policies

Grading, Assignment Submission, Lateness Penalties, and Missed Tests

Grading: The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.)

(For a full description of York grading system see the York University Undergraduate Calendar - http://calendars.registrar.yorku.ca/pdfs/ug2004cal/calug04_5_acadinfo.pdf)

Students may take a limited number of courses for degree credit on an ungraded (pass/fail) basis. For full information on this option see Alternative Grading Option in the Atkinson Faculty of Liberal and Professional Studies section of the Undergraduate Calendar: http://calendars.registrar.yorku.ca/2012-2013/faculty_rules/AP/index.htm

Assignment Submission: Proper academic performance depends on students doing their work not only well but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment.

Lateness Penalty: Projects received later than the due date will be penalized by ½ letter grade per day. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the Course Instructor but will require supporting documentation (e.g., an Attending Physician's Statement).

Missed Tests: Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g., an Attending Physician's Statement) may request an accommodation from the Course Instructor in

a form of a makeup test (within a week before or a week after the test). Further extensions or accommodations will require students to submit a formal petition to the Faculty. Failure to appear at the mutually agreed time of a makeup exam will result in a grade of 0.

Relevant University Regulations

Deferred Exams: Deferred standing may be granted to students who are unable to write their final examination at the scheduled time or to submit their outstanding course work on the last day of classes. In order to apply for deferred standing, students must register at <http://apps.eso.yorku.ca/apps/adms/deferredexams.nsf>. Write your ticket number from the online registration system directly onto the DSA form. The DSA and supporting documentation must be submitted no later than five (5) business days from the date of the exam and emailed to apsas@yorku.ca.

These requests will be considered on their merit and decisions will be made on a case by case basis. Decisions will be made available by logging into the following link: <http://apps.eso.yorku.ca/apps/adms/deferredexams.nsf>. No individualized communication will be sent by the School to the students (no letter or e-mails).

Academic Honesty: The Faculty of Liberal Arts and Professional Studies considers breaches of the Senate Policy on Academic Honesty to be serious matters. The Senate Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty. As a clear sense of academic honesty and responsibility is fundamental to good scholarship, the policy recognizes the general responsibility of all faculty members to foster acceptable standards of academic conduct and of the student to be mindful of and abide by such standards. Suspected breaches of academic honesty will be investigated and charges shall be laid if reasonable and probable grounds exist.

Students should review the York Academic Honesty policy for themselves at:

Grading Scheme and Feedback Policy: The grading scheme (i.e. kinds and weights of assignments, essays, exams, etc.) shall be announced, and be available in writing, within the first two weeks of class, and, under normal circumstances, graded feedback worth at least 15% of the final grade for Fall, Winter or Summer Term, and 30% for 'full year' courses offered in the Fall/Winter Term be received by students in all courses prior to the final withdrawal date from a course without receiving a grade, with the following exceptions:

Note: Under unusual and/or unforeseeable circumstances that disrupt the academic norm, instructors are expected to provide grading schemes and academic feedback in the spirit of these regulations, as soon as possible. For more information on the Grading Scheme and Feedback Policy, please visit:

Grades Release Dates (Grade Reports and Transcripts): Grades submitted by an instructor are subject to review by the teaching unit in which the course is offered and by the Faculty Council or Faculty Committee on Academic Policy and Planning. Final course grades may be adjusted to conform to program or Faculty grades distribution profiles. Normally, grades appear on grade reports and transcripts as soon as they are submitted to the Registrar's Office.

In-Class Tests and Exams - the 20% Rule: For all Undergraduate courses, except those which regularly meet on Friday evening or on a weekend, tests or exams worth more than 20% will not be held in the two weeks prior to the beginning of the official examination period. Reappraisals: Students may, with sufficient academic grounds, request that a final grade in a course be reappraised (which may mean the review of specific pieces of tangible work). Non-academic grounds are not relevant for grade reappraisals; in such cases, students are advised to petition to their home Faculty. Students are normally expected to first contact the course director to discuss the grade received and to request that their tangible work be reviewed. Tangible work may include written, graphic, digitized, modeled, video recording or audio recording formats, but not oral work. Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed. For reappraisal procedures and information, please visit the Office of the Registrar site at: <http://myacademicrecord.students.yorku.ca/grade-reappraisal-policy>

Accommodation Procedures: LA&PS students who have experienced a misfortune or who are too ill to attend the final examination in an ADMS course should not attempt to do so; they must pursue deferred standing. Other students should contact their home Faculty for information. For further information, please visit: <http://ds.info.yorku.ca/academic-support-accomodations/>
