## ORGANIZATIONAL COMMUNICATION

### FALL 2024 – PRELIMINARY COURSE OUTLINE<sup>1</sup>

UPDATED: JUNE 21, 2024

#### Please read before committing to taking this course...

Welcome to the course! **For most classes, we will meet in person.** For some classes, we will meet on **Zoom** (mostly, for synchronous meetings). **Regular attendance and participation expected.** Course work includes multiple individual presentations, group presentations and peer-feedback throughout the term. Hybrid or recorded content is not available for this course - *it is NOT possible to complete this course online/remotely.*

Please be prepared to be **in class for the in person sessions**, and **with a camera on for Zoom sessions**. When we meet on Zoom, you should be fully available for interaction (that is, not engaged with work or other activities); please plan to connect from a quiet space (our classroom is available if you are on campus).

#### WELCOME TO THE ORGANIZATIONAL COMMUNICATION!

*Our recent pandemic and post-pandemic experiences have only emphasized how much we rely on communication in our work and daily lives and how much this communication is affected by the conditions and characteristic of the interaction. We spend time most of our workday communicating - in one way or another. Can we communicate better? (hint: yes... 😊).*

*This course provides an overview of main theories and concepts on organizational communication with a focus their application to our own communication. **Though activities and assignments, this course is designed to provide you with a safe space to experiment and improve on your own persuasive communication skills.***

- Be **prepared** to interact with your classmates, **deliver mini presentations**, **receive and provide constructive feedback**. Some presentations will be submitted **pre-recorded**, and some will be delivered in person in **real-time**.
- Be prepared to discuss and critically examine our **reading materials** (our course discussions and activities rely on your advance preparation of the assigned readings...).
- Be prepared to work with a **group** of classmates on group assignments / project.
- In weeks when we are not meetings on campus, be **prepared** to connect online during our scheduled time (Mondays, 11:30am-2:30pm\*), with your **microphone on and camera on**. (\* dates TBA) **🟦Live Session**

**Please note that regular attendance and engagement in class is expected: on campus (when the class meets in person) and on-line (when the class meets for synchronous sessions). When planning for this course consider budgeting sufficient time for preparation on individual work and presentations as well as time to work with your group outside class sessions.**

*We are all responsible to create and maintain **a safe learning environment** in the course – in the classroom, during synchronous sessions and in any other online activities and communication; All are expected to conduct themselves in a manner that is respectful of others and of themselves.*

*If you have any concern with your performance, or ability to complete the course successfully, please contact me earlier in the course rather than later. I look forward to meeting you all and having a meaningful learning experience.*

Ron

<sup>1</sup> This outline is subject to change as deemed necessary by the Course Director.

## **MORE ABOUT THE COURSE**

*The full outline and a WEELLY outline for the course will be available at the start of the term. Expect submission deadlines for activities and presentations throughout the course.*

In this **blended** course, our use of weekly class time will be a combination of: (1) class meetings on campus, (2) zoom meetings (synchronous) [when not meeting on campus]; (3) group meetings and individual prep time. We will meet on campus for our first class on September 9<sup>th</sup>. The detailed weekly schedule will be posted on the course eClass by the start of the term.

Hybrid or recorded content is not available for this course - it is not possible to complete this course remotely.

This class is highly dependent on class/group discussions and non-verbal cues in communication. As part of the course activities, each student will present multiple times and discuss their presentation with other students.

**Regarding online meetings and submissions:** To ensure the privacy and wellbeing of all students, as well as the ability to create and maintain a safe environment for cordial and productive sessions.

- We will all login using Passport York authentication (“Sign in with SSO” option in Zoom).
- All of us are expected to have their **video/camera ON** (most of the time) and **audio/microphone available** (of course, microphone OFF when not talking, to avoid unintended interruptions).
- Please note that presentations will be recorded for the sole use of feedback and discussion, with password protection. Sharing the recordings or using them for any other purpose is prohibited. Otherwise, discussions within the sessions will not be recorded by the instructor; Recording of the session by others by any means is not permitted).
- Participants that cannot be identified by the host/instructor will be removed from the session.
- Please consider your learning space, possibly ensuring that your background is not distracting (positioning yourself against a wall or using the background feature).

Please contact Dr. Ron **ASAP** if using video is of concern so we can discuss (ophir@yorku.ca).

## **COURSE ENVIRONMENT PRINCIPLES**

Together we will strive to create and maintain a classroom environment that is a **safe** place for learning and discussion; a place where individual thoughts and ideas are appreciated; a space where personal feelings, beliefs, perspectives, and positions are **respected**.

The above are tentative. Components and weightings will be **confirmed no later than September 18.**

## MIDTERM EXAMINATION & POLICIES

- ▶ **Date and time:** **Monday, October 21, 2024, 11:30am (TENTATIVE date)**
- ▶ **Format & Coverage:** Closed book. On campus. Additional information will be provided separately on the course website.
- ▶ Students seeking **religious accommodations** or **alternate exam provisions** are expected to follow York University policies and guidelines regarding advance notice and procedures (see pages 7-8).

### MIDTERM EXAMINATION CONFLICTS & MISSED MIDTERM EXAMINATIONS

- ▶ Any **exam conflicts** (religious accommodations, YU sports team participation, or overlap with another YU midterm examination) must be communicated by the student via email to the Course Director (instructor) **no later than two (2) weeks (14 days)** before the exam date. Full details about the conflict must be provided (date, time, location, link/URL if available, contact person where applicable (e.g. coach)). In all cases it is the student's responsibility to proactively address the matter with the Course Director and to inquire about the results of their conflict notice/request.
- ▶ In line with School of HRM practice, make-up midterm examination dates **will not be available**. Students who were **unable to write the Midterm Examination** on its original date for other reasons (e.g., illness) may request approval for an accommodation for the missed Midterm Exam. Requests for consideration must be submitted via to the Course Director **no later than seven (7) days** from the date of the Midterm Exam. Requests must include a statement indicating the reason for the request, providing relevant documentation to support this request. Students who missed the midterm examination and had their request approved, will normally have the weight of their missed midterm examination transferred to the final examination. This final exam will normally be more comprehensive than the regular final examination, as it covers both the midterm and final examination content in detail. When requests are not approved, a grade of zero will be applied to the midterm examination component. In all cases it is the student's responsibility to proactively address the matter with the Course Director and to inquire about the results of their request. Students whose requests are **not approved**, or those who did not submit a request within the required timeline, will receive a grade of **zero** on the Midterm.
- ▶ **General:** Please do not include picture attachments, only pdf. Note: Policy information regarding the use or expectation to submit an Attending Physician's Statement in support of a request for deferred standing or petitions will be updated on the course outline by the start of the Fall 2024 term.

## IMPORTANT SCHOOL AND UNIVERSITY POLICIES & INFORMATION

### KINDNESS, HEALTH & SAFETY

#### A Community of Care Commitment:

As part of York's Community of Care Commitment, all members of the York community share in the responsibility of keeping others safe on campuses. In this class, as elsewhere on campus, our joint commitment includes:

- **Observing** health and safety regulations while on our campuses.
- **Supporting** community well-being through healthy personal behaviours and actions.
- Maintaining **compassion, kindness, and empathy** towards one another amid times of uncertainty and difficulty.
- **Respecting** personal health and privacy in balance with the protection of public health., students must observe all University health and safety protocols.

▶ **Kindness:** <https://oscr.students.yorku.ca/kindness>

▶ **Getting Around Campus:** <https://www.yorku.ca/safety/getting-around-campus/>

### ACADEMIC HONESTY & INTEGRITY

**Academic Honesty:** Students are reminded to maintain standards of academic integrity to the highest extent possible. Common examples of breaches of academic honesty and integrity include cheating, plagiarism, falsification, and aiding and abetting others in such activities. **Please familiarize yourself with the meaning of academic integrity at York** by completing the interactive on-line Tutorial for students at:

<https://spark.library.yorku.ca/academic-integrity-what-is-academic-integrity/>

Suspected breaches of academic honesty will be investigated and pursued; significant penalties will be applied when a breach has been found to have occurred.

Following these simple rules will help you **avoid** breaches of academic honesty:

- Complete your work well in advance of the deadline
- Write your entire work yourself (each and every word!) from the ground up
- DO NOT: "consult" others or search online for "ideas"
- DO NOT use tutoring or editing services to prepare your work

The Faculty of Liberal Arts and Professional Studies considers breaches of the Senate Policy on Academic Honesty to be serious matters. As per the Policy, "The Senate Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty". Please familiarize yourself with York's Senate Policy Academic Honesty:

<http://secretariat-policies.info.yorku.ca/policies/academic-honesty-senate-policy-on/>

**Policy on Use of Generative AI Tools:** Unless explicitly allowed in a specific activity or specific course, students are not permitted to use generative artificial intelligence (AI) in ADMS and DEMC courses. Submitting any work created through the use of generative AI tools will be considered a violation of York University's [Senate Policy on Academic Honesty](#). If you do not know whether an online resource or tool can be used in this course, please check the materials posted for your section and contact your instructor for guidance. For more information, please review [AI Technology & Academic Integrity: Information for Students](#).

**Turnitin:** To promote academic integrity in this course, students will normally be required to submit their online submissions of written work through Turnitin (via the course eClass) for a review of textual similarity and the detection of possible plagiarism. In so doing, students will allow their material to be included as source documents in the Turnitin.com reference database, where they will be used only for the purpose of detecting plagiarism. The terms that apply to the University's use of the Turnitin service are described on the Turnitin.com website.

**Academic Accommodation for Students with Disabilities:** Accommodation and support for students with learning, mental health, physical, sensory, or medical disabilities is guided by the principles laid out in [York's Policy on Academic Accommodation for Students with Disabilities](#):

Students who seek such accommodation for their academic studies must be registered with **Student Accessibility Services**. This office arranges for academic accommodations and provides support to students with documented disabilities on the Keele Campus. Registered students will receive a Letter of Accommodation (LOA), outlining the recommended accommodation that would be appropriate. To register with Student Accessibility Services, visit <https://accessibility.students.yorku.ca>.

Once registered with Student Accessibility Services, **students are responsible to provide their LOA to the course director (professor/instructor) at the start of the term or as soon as it becomes available**. Please note that sufficient notice is needed so that reasonable steps for accommodation can be discussed. Accommodations provided shall be consistent with the guidelines established in York's policy, preserving the academic integrity of the curriculum and the academic standards of courses and programs.

If the accommodation is provided through the Alternate Exam office, please follow the timeline and procedures of that office in a timely fashion (<https://altexams.students.yorku.ca/request-an-alternate-exam>). Most quiz/test/exam support requires that the student book a minimum of 3 weeks in advance.

**Note:** Students registered in programs at York's Glendon Campus should contact Accessibility, Well-Being and Counselling at Glendon (<https://www.glendon.yorku.ca/counselling/>) regarding supports and services.

**Religious Accommodation:** York University is committed to respecting the religious beliefs and practices of all members of the community and making accommodations for observances of special significance to adherents. **Students seeking religious accommodation should pursue their request in timely fashion.** For deadlines and additional information on religious accommodation, please visit: <https://w2prod.sis.yorku.ca/Apps/WebObjects/cdm.woa/wa/regobs>.

**Grading Scheme and Feedback Policy:** For more information on the Grading Scheme and Feedback Policy, please visit: <http://secretariat-policies.info.yorku.ca/policies/grading-scheme-and-feedback-policy/>

**Reappraisals:** After course grades have been released, students may, with sufficient academic grounds, request that a final grade in a course be reappraised (which may mean the review of specific pieces of tangible work). Non-academic grounds are not relevant for grade reappraisals; in such cases, students are advised to petition to their home Faculty. Reappraisals of final course grades (including final exams viewing) should be done through the main office of the School of HRM. Tangible work may include written, graphic, digitized, modeled, video recording or audio recording formats, but not oral work. Students need to be aware that a request for a grade reappraisal may result in the original grade being raised, lowered or confirmed.

**Services for Mature and Part-time Students:** The Atkinson Centre for Mature and Part-time Students (ACMAPS) maintains and strengthens York University's ongoing commitment to welcome and to serve the needs of mature and part-time students. For further information and assistance visit:
