4. Weighting of Course:

Mid-Term Exam: 50% (Tuesday, July 15th, 2025)

Final Exam: 50% (during the final examination period – August 7th to 14th)

Make-Up Policy: Students missing the mid-term exam must provide a valid rationale for their absence and write a make-up exam on Friday, July 18th, at 10am (location: TBA). There is only going to be one make-up mid-term exam. If students missing the mid-term exam do not write the make-up mid-term exam either because they do not have a valid rationale for missing the mid-term exam or because they fail to show up for the make-up mid-term exam, they will receive a grade of zero for their mid-term exam. Under no circumstances, the weight of the missed mid-term exam will be shifted to the final exam. The same make-up policy applies to the final exam, with only one opportunity to write a deferred final exam, provided a valid rationale for missing the original exam is in hand.
