

Personal Investment Management
AP/ADMS 3531 N
Winter 2026

Instructor: Saikat Sarkar, PhD

Email: My email address is sarkars@yorku.ca. If you contact me by email, use either your my.yorku.ca account, or the account shown on York records as your preferred email address. Include your section (3531 N) in the subject line and include your full name and student number in the body of the message.

eClass Website: <https://eclass.yorku.ca/course/view.php?id=139224>

Class Time: In-person. You must write the midterm and final exams in-person on York's Keele campus – see below for more information.

Office Hours: Office hours are held online using Zoom, about once a week at days/times posted on eClass. Please email me if you have any questions.

COURSE OVERVIEW

Course Description

Familiarizes students with the investment process, emphasizing the management of individual investor portfolios. Topics include security markets, trade-offs between risk and return, security analysis, and the concept of an “almost efficient” market. Current financial events are discussed.

Prerequisite

AP/ADMS 3530 3.00

The SAS office staff will be verifying prerequisites later in the term. If you have not already completed 3530 (or equivalent) with a passing grade, you will be de-enrolled.

Course Format and Organization

This course is offered online through eClass. The course material is divided into weekly modules. Each module includes PowerPoint slides, readings from the textbook, recommended problems, and instructions/assignments for trading on the Stock-Trak platform. You are required to attend the midterm and final exams in-person on York's Keele campus.

Technology Requirements

Most components of 3531 will be through the eClass website, so you need a stable high-speed internet connection. Here are some useful links for student computing information, resources, and help:

- [Student Guide to eClass](#)
- [Zoom@YorkU Best Practices](#)
- [Zoom@YorkU User Reference Guide](#)
- [University Information Technology \(UIT\) Student Services](#)
- [Student Guide to Remote and Online Learning](#)

Textbook

Bodie *et al.*, “Investments” 11th Canadian edition, McGraw Hill, 2025. Most students in the BCom finance stream will go on to take ADMS 4501, Advanced Portfolio Management, which also uses the Bodie 11th edition. You can buy either a “Print Text” hardcopy, or an eBook. The hardcopy book will be on reserve at Bronfman Library.

Utilizing the Connect resources from the recommended textbook **is not** essential to successfully complete this course.

1. New hardcopy textbook (new copies exclude Connect resources; appx cost: \$159.95)
2. New hardcopy textbook (new copies include Connect resources; appx cost: \$179.95)
3. McGraw Hill eBook of the recommended textbook (360 days); appx cost: \$99.00

Please visit the following website for details <https://www.mheducation.ca/product/investments-9781265657338-can-group#configurable-product-options-title>

Stock-Trak

An important part of 3531 is your participation in the Stock-Trak Portfolio Simulation. You will be buying and selling stocks and other securities using the Stock-Trak virtual trading platform. **Students can work either individually or in groups of two to share paying the 34.95 USD fee.** Each student will record and upload a brief informal presentation, along with completing trading assignments throughout the term. Further information about Stock-Trak is posted on eClass.

Drop Date

Last date to drop a course without receiving a grade (check Financial Deadlines) is January 15, 26.

Tutorials

Students in all three 3531 sections are invited to attend Zoom tutorials presented by our TA, Jay Bharatbhai Savani. There will be six tutorials, **usually on Fridays** at 6pm, as shown on the schedule at the end of this outline. Video recordings will be posted for subsequent viewing. See the Tutorials folder on eClass.

COURSE EVALUATION

Evaluation

Stock-Trak Presentation	05%
Stock-Trak Assignments	15%
Online Quizzes	10%
Midterm Exam	30%
Final Exam	40%

Course grades may be curved to fit the standardized grade distributions in SAS and LA&PS.

Stock-Trak Assignments

Active participation in the Stock-Trak Portfolio Simulation is a crucial component of ADMS 3531. These tasks are intended to provide you with hands-on practice in purchasing and trading stocks and other financial instruments.

There will be six trading assignments related to the course content using Stock-Trak. These will give you experience buying and selling stocks and other securities. If you have a partner for your Stock-Trak account, you must each prepare your own separate assignments. Submissions are made to Turnitin on our eClass course website. These assignments account for 15% of your overall grade.

Stock-Trak Presentation

Each student or group will make a brief informal presentation to the class at the end of the semester. The presentation schedule will be posted on the course website. The Stock-Trak presentation mark (worth 5% of your course grade) is an automatic 100%. If you do not give your presentation on the scheduled date, and you do not have an excused reason, you will get a presentation mark of zero.

Exams

You are required to write the exams in-person on York's Keele campus. Both exams are closed book. Formula sheets will be provided at the exam and will also be posted on eClass. You will need a **pencil** for filling in the Scantron bubble sheet, and a **calculator**. A few of the bond problems on the final exam need a financial calculator, which you should already have from ADMS 3530.

You must present your recent YU Card (with photo) for identification during the exam since it is the ONLY acceptable form of ID. Drivers' Licenses and Health Cards are no longer accepted. Baseball caps and other non-religious headwear are prohibited, and cell phones must be turned off and put away.

The midterm exam is on Saturday, February 21, 2026, at 2 p.m. It is a two-hour exam with 30 multiple-choice questions covering topics from the first six weeks. An exam information sheet will be posted on eClass at least one week before the exam, listing how many exam questions are from each chapter, and the breakdown between calculation and conceptual questions.

Missed Midterm Examination: Email Saikat sarkar (sarkars@yorku.ca) with appropriate documentation in case you (student) miss the midterm due to unavoidable circumstances. **Please be advised that, in accordance with Senate Policy, an Attending Physician form must be submitted for assessments weighted at more than 20% of the course grade.** If you are granted an excused absence, you will write a cumulative final exam as described in the next paragraph.

The **final exam** will be scheduled (by the Registrar's Office) during the April final exam period. The regular exam is two hours with 30 multiple-choice questions covering topics from weeks seven to twelve. Details about the exam coverage will be shown in an exam information sheet posted on eClass at least one week before the exam. If you were absent from the midterm exam, you will write a three-hour final exam with 45 multiple-choice questions covering the entire semester.

Deferred Standing – Missed Final Examination

Deferred standing may be granted to students who are unable to write their final examination at the scheduled time. In order to apply for deferred standing in an AP/ADMS class, students must register at: <http://sas-app.laps.yorku.ca>

The DSA and supporting documentation must be submitted **ONLINE** *no* later than **five (5) business days** after the date of the final exam. These requests will be considered on their merit, and **decisions will be made available by logging into the same link as above.** *No* individualized communication will be sent from the school to the students (i.e., *no* letter, phone call, or e-mail). Students are strongly encouraged to write the exam on the announced date. Deferred students typically get lower marks, and many fail.

In past years it was the policy of the Admin Studies finance area that we will **not** sign a DSA form if you miss both the midterm and final exams. As of January 1, 2025, it is permitted to request an APS form to support deferral of the final exam. Students need to petition for a deferred exam or a late withdrawal or some other remedy appropriate to their circumstances.

OTHER RELEVANT POLICIES

All students are expected to familiarize themselves with the following information:

- [Student Rights & Responsibilities](#)
- [Academic Accommodation for Students with Disabilities](#)

Academic Integrity

In this course, we strive to maintain academic honesty to the highest extent possible. Please familiarize yourself with the meaning of academic integrity by completing [SPARK's Academic Integrity module](#) at the beginning of the course. Breaches of academic honesty range from cheating to plagiarism (i.e., the improper crediting of another's work, the representation of another's ideas as your own, etc.). All instances of academic dishonesty in this course will be reported to the appropriate University authorities and can be punishable according to the [Senate Policy on Academic Honesty](#).

Turnitin

To promote academic integrity in this course, students will normally be required to submit their written assignments to Turnitin (via the course's eClass site) for a review of textual similarities and the detection of possible plagiarism. In so doing, students will allow their material to be included as source documents in the Turnitin.com reference database, where they will be used only for the purpose of detecting plagiarism. The terms that apply to the University's use of the Turnitin service are described on the Turnitin.com website.

Intellectual Property

Course materials are designed for use as part of this particular course at York University and are the intellectual property of the instructor unless otherwise stated. Third-party copyrighted materials (such as book chapters, journal articles, music, videos, etc.) have either been licensed for use in this course or fall under an exception or limitation in Canadian copyright law. Students may not publish, post on an Internet site, sell, or otherwise distribute any course materials or work without the instructor's express permission. Course materials should only be used by students enrolled in this course.

Copying this material for distribution (e.g., uploading material to a commercial third-party website) may lead to a charge of misconduct according to York's Code of Student Rights and Responsibilities, the Senate Policy on Academic Honesty, and/or legal consequences for copyright violations.

Audio-visual recordings of live sessions on eClass may be posted. These recordings should be used for educational purposes only and as a means for enhancing accessibility. Students do not have permission to duplicate, copy and/or distribute the recordings outside of the class; such acts can violate not only copyright laws but also the Ontario FIPPA law. All recordings will be destroyed after the end of classes. For further information see the York guidelines for the taking and use of photographs, video and audio recordings.

COURSE SCHEDULE, Weeks 1 to 6
